

**Harlequin Bowmen  
Club Social Shoot  
“Archery Triathlon”  
15<sup>th</sup> September 2024 Results**

Thank you to everyone who took part in our 3<sup>rd</sup> “Annual Club Social Shoot” a couple of weeks ago.

We had 26 archers compete in the wand and 27 in the clout shoots. We do run monthly clout sessions over the winter so please join us if you can and would like to build your clout scores up over the next few months.

FYI there were a total of 31 wands and 77 rings. Well done to everyone who bagged themselves a wand (-;

To finish, we ran a shortened target round, a Warwick, which suited us all after the rest of the day. Again, we had 27 archers taking part, and some great achievements all round.

For the combined prizes over all 3 events there were 21 archers eligible for the ‘Treasurers Cup’, ‘Richard Parker Memorial Trophy’, ‘Novice Award’ and ‘Generations Cup’ awards.

Thanks to everyone who came along and helped make the day a fun one...especially after the long day of Run archery beforehand....wow! What a busy weekend!

Thanks to all!

Paul Comina

## Handicap Competition Results: Warwick Rounds and Shorter Versions

### Full table including prize winners

For archers who have an official club handicap in place via the records officer only.

A perfect round, shooting to your handicap, would lead to an adjusted score of 1440....anything higher than 1440 represents a significant improvement on your current handicap! Well done!

Name	Age Category	Novice	Target Entry Bowtype	Target Entry Distance	HCP	ALLOWANC	HCAP TOTAL	Handicap Award

## **Richard Parker Memorial Cup and Treasurers Cup awards and Team and Novice Awards**

All of these prizes are awarded based on ADJUSTED scores for WAND, CLOUT and WARWICK rounds. Archers must have shot ALL 3 rounds to be eligible.

TARGET Adjusted scores are produced by using Archery GB Classification boundaries and scaling for each bow type to give a 'recurve' score for non-recurve bow types. Archers shooting above or below their age group are adjusted using the handicap for the round shot and converting into the equivalent expected score for the same handicap on their 'expected' round.

WAND adjusted scores are 'scaled' to recurve equivalent using average bowtype scores from Harlequin Bowmen from the last 10 years.

CLOUT adjusted scores are 'scaled' to recurve equivalents using classification boundaries for bowtypes and genders.

The Treasurer's cup is awarded to our JUNIORS. The Richard Parker memorial cup to our SENIORS. Totals for eligible archers and prizes awarded are listed below. Novice prizes awarded to archers who are less than 12 months into archery

The Generations cup is awarded to a Senior/Junior combination, who may be related.

All contributing scores and prize winners are listed on the next table. Congratulations to our winners and runners up!

Name	Age Category	Novice	Triathlon teammate	TOTAL ADJUSTED SCORE	SENIOR CUT	JUNIOR CUT	TEAM	NOVICES
