

## Harlequin Bowmen Club Championships 16<sup>th</sup> September 2018 Results

Thank you to everyone who took part in our annual Club Championships on Sunday 16<sup>th</sup> September. A fun day was had by all, despite the wind which proved to be a challenge! At least it didn't rain. In total we had 30 club members participate, 20 in the clout and 28 in the target round in the afternoon.

Please find below lists of winners for the clout, National rounds and our other prizes. There were several errors in totals which I have indicated with \* in the results tables. However these had no impact on results/positions.

However, I did fail to read my spreadsheet out correctly on the day and erroneously swapped the Generations Cup results for 1<sup>st</sup> and 2<sup>nd</sup> place around....thus Martin and William should have been awarded the trophy on the day. Please accept my apologies gents, and hopefully Henry can forward the trophy to you to put on your mantelpiece, or toilet shelf somewhere.

Finally thanks to our Lord and Lady Patrons, Andy and Abbie Climpson. Good luck shooting at Wallingford and do drop in when you can as associate members (-:

Regards to all and see you there again next year!

Paul Comina

## Handicap Competition Results: National Round

### Full table including prize winners

A perfect round, shooting to your handicap, would lead to an adjusted score of 1440....anything higher represents a significant improvement on your current handicap! Well done!

## Richard Parker Memorial Cup and Treasurers Cup awards

Both of these prizes are awarded based on ADJUSTED scores for BOTH the Clout and National rounds. Archers must have shot BOTH rounds to be eligible. Adjusted scores are produced by using Archery GB Classification boundaries and scaling for each bow type to give a 'recurve' score for non-recurve bow types.

The Treasurers cup is awarded to our Juniors. The Richard Parker memorial cup to our seniors. Totals for eligible archers and prizes awarded are listed below.

Name	Surname	Age Group	Clout Adjusted Score	National Adjusted Score	Total Adjusted Score	Treasurers Cup
Abbie	Climpson	U16	106	504	610	1st Junior

## Generations Cup, Family Pair, Jack and Jill and Novice Awards

These are all awarded in a similar manner to the Treasurers and Richard Parker Memorial Cup, requiring archers to shoot both rounds and based on total adjusted scores.

The Generations cup is awarded to a parent/child combination, although both can be adults.

The Family Pair is awarded to any family pair, including any parent/child combination that ranked 4<sup>th</sup> or lower in the Generations Cup. The Jack and Jill award is for married couples, of which none competed this year, so no award was made.

Finally archers who have only started archery in the last 12 months are classed as Novice and are eligible for the Novice prize.
